## Family Math Nights

Families from Savin Rock, Washington and Forest recently enjoyed dinner and math games at their January Math Nights. Students learned how to ask good math questions to find secret numbers, and worked with their parents to solve different math puzzles and problems.

Congratulations to all the raffle winners for the evenings!

## Math Riddles!!

(Answer next newsletter)

What occurs twice in a week, once in a year but never in a day?

Answer to last month's riddle:

How is the moon like a dollar?  
(They both have 4 quarters.)

Congratulations to all of our students who worked so hard this month.  
Keep up the good work!
